### **SCHEME FOR STAFFING SENIOR ADMINISTRATIVE POSTS OF AND ABOVE THE RANK OF DEPUTY SECRETARY UNDER THE GOVERNMENT OF INDIA**

#### PART I

**1. Object.**—This scheme is intended to provide for systematic arrangements for manning senior administrative posts at the Centre of and above the rank of Deputy Secretary.

**2. Sources.**—(i) Such posts will ordinarily be manned by officers of one or other of the following categories:—

- (a) Officers borrowed from the State Cadres of the I.A.S. and from other Class I Services of the States (other than the State Civil Service) on tenure deputation;
- (b) Officers borrowed on tenure deputation from Central Services, Class I including officers serving in Public Industrial Undertakings (hereinafter referred to as Central Services);
- (c) Officers of the Selection Grade of the Central Secretariat Service;
- (d) Officers of the Central Administrative Pool (*vide Part III*);
- (e) State Civil Service officers whose names are included in the Select List, referred to in Regulation 7(3) of the IAS (Appointments by Promotion) Regulations;
- (f) State Civil Service officers other than those mentioned in (e) may also be appointed to senior posts in consultation with the U.P.S.C. in each case.

(ii) In addition to senior administrative posts in the Central Secretariat and attached offices, such number of field posts, normally manned by officers of the particular field Service concerned, as may, from time to time, be specified, in consultation with the controlling authorities of these Services, may also be held on a tenure basis by officers drawn from the IAS or any of the Central Services, referred to in (i) above.

**3. Controlling Authority.**—The Ministry of Home Affairs advised by the Central Establishment Board will be the Controlling Authority for purposes of the Scheme.

**4. Central Establishment Board.**—(i) The Central Establishment Board shall consist of the Cabinet Secretary as the Chairman (*ex-officio*), Home Secretary as Member (*ex-officio*), a Finance Secretary and three other Secretaries.

(ii) Each Member will hold office for one year or until he is replaced in accordance with a suitable system of rotation.

(iii) The Establishment officer to the Government of India whose duties have been set out in the Ministry of Home Affairs O.M. No. F. 38(17)EO/51, dated the 12th May 1951, will be the Secretary of the Board.

**5. Reference to the Appointments Committee of the Cabinet.**—Appointments of individual officers from any of the sources mentioned above to posts covered by the Scheme shall be made on the advice of the Central Establishment Board and with the approval of the Appointments Committee of the Cabinet.

#### PART II—TENURE DEPUTATION

**(ii) Correspondence.**—All correspondence with the State Governments, the Controlling Authorities of the Services concerned and the Ministries at the Centre for the loan of officers shall be conducted by the Establishment Officer.

**7. Periods of tenure.**—(i) Officers who are borrowed for appointment to posts of or equivalent to Deputy Secretary will ordinarily revert to the parent State Cadre or Service on the expiry of four years and officers who are borrowed for appointments to posts of or equivalent to Joint Secretary and Secretary will similarly revert on the expiry of a period of five years.

(ii) In exceptional circumstances, however, where the public interest so demands the tenure of an individual officer in the same post or any other post or class of post may be extended or curtailed with the concurrence of the lending authority.

#### PART III—CENTRAL ADMINISTRATIVE POOL

**8. Purpose and Constitution.**—(i) In order to build up a reserve of officers with special training and experience for the purpose of economic administration and for maintaining continuity of knowledge and experience in the field of general administration, a Central Administrative Pool of officers shall be constituted.

9. The characteristic feature of posts connected with economic administration is that the holders need an understanding of economic affairs as well as capacity for and experience of administration i.e. of handling men and affairs with the tools and techniques of the Governmental machinery. The relative emphasis on these two requirements varies as between the different categories of posts listed above, but broadly they all require either—

- (a) administrators who have acquired training and experience in economic matters or
- (b) economists who have acquired training and experience in administration.

Type (a) has been almost exclusively used hitherto. When the Planning Commission's recommendations have been fully implemented, persons of type (b) will be inducted into the service.

**10. Strength and Composition.**—(i) The authorised permanent strength of the Pool will be determined from time to time by the Controlling Authority in consultation with the Ministry of Finance and so far as may be in consultation with the State Governments taking into account the manpower requirements of the Government and the availability of suitable officers.

(ii) The initial total strength will be about 120. In addition, up to 20 officers may be on training or trial preparatory to absorption in the Pool.

(iii) The Pool will be composed of officers of the following categories:—

- (a) Officers of the IAS permanently seconded to the Pool;
- (b) Officers of the Central Services permanently seconded to the Pool;
- (c) Grade I officers of the Central Secretariat Service selected for the Pool;
- (d) Persons with specialised qualifications directly recruited from the open market at higher age levels; and
- (e) Officers of State Services Class I.

**11. Probation.**—No officer would, normally, be confirmed in the Pool until he has served for a tenure period under the Central Government, provided that the controlling authority may dispense with, reduce or extend this period in individual cases.

**12. Confirmation.**—After confirmation, every officer will be retained for continuous service as a member of the Pool. His lien on the parent State Cadre or Service will be suspended and he will be given a lien against the permanent strength of one or other of the following grades:—

**Grade I.**—(Officers of this grade will hold posts not lower in rank than Joint Secretary to the Government of India).

**Grade II.**—(Officers of this grade will hold posts lower in rank than Joint Secretary but not below the rank of Deputy Secretary to the Government of India).

The strength of each Grade will be determined by the Controlling Authority in consultation with the Ministry of Finance from time to time.

Note I.—In the case of officers of the Indian Administrative Service who are permanently seconded to the Pool, the resultant vacancies in the State Cadre may be filled by the State Government by direct recruitment or by promotion from the State Civil Services, as the case may be, in accordance with the Indian Administrative Service (Recruitment) Rules, 1951.

Note II.—An officer permanently seconded to the Pool may either at his own request or at the discretion of the Controlling Authority and in consultation with the lending authority, be returned by the Controlling Authority to the parent cadre of service at any time before his retirement, provided that the Controlling Authority is prepared in return to take another officer from the same cadre or service to the Pool so as to leave the strength and management of the parent cadre or service unaffected. On such reversion or at the time of retirement the officer's suspension on his parent cadre or service will be revived.

Note III.—The Central Government may at any time, in consultation with the State Government, make available to the latter the services of officers of the Pool for a term of one to three years, on reverse deputation, provided that the officers, who are absorbed in the Pool before completing 18 years of service, will ordinarily be so reverted for the periods mentioned above.

**13 Selection (i) Selecting Authority.**—Selection of officers of the IAS and Central Services and of Grade I officers of the Central Secretariat Service and State Services Class I for appointment to the Pool will be made by a Committee of Senior Secretaries which shall include the Cabinet Secretary, one representative of the Central Services and will be presided over by the Chairman, Union Public Service Commission.

(ii) (1) **Field of Selection.**—Selection in respect of categories (a), (b), (c) and (e) of sub-para 3 of para 10 above will ordinarily be made from two levels of seniority. Officers of the IAS, the Central Services and State Civil Services Class I will be drawn either—

- (a) from the level of seniority represented by officers between 8–12 years of service, or
- (b) from the level of seniority of and above 15 years of service,
- (c) officers holding substantive posts either under the Central or under the State Governments, who have completed 8 years of service in Class I or equivalent posts and are not above the age of 45.

(2) Grade I officers of the Central Secretariat Service holding or considered fit for appointment to posts of or equivalent to Deputy Secretary may be appointed to the Pool, according to suitability.
